- Optional CoastGuard™ coating
- Suits schools, airports, shopping centres and public areas

about

The *BRITEX Stainless Steel Dado Single Round Drinking Fountain* - is a stylish, versatile fixture that can be supplied in either a disabled access configuration, or a space saving compact size. Both models are supplied complete with a front push, timed flow bubbler, splashback panel, waste outlet and mounting bracket. Manufactured from commercial grade 304 stainless steel. Refrigerated models are supplied with a separate remote chiller unit for installation within wall cavity. Britex CoastGuard™ - a clear coating option that protects against the onset of tea staining (surface discolouration) caused by salt air - is recommended for installations near the ocean.
